About firms

EPAP Ukraine is a leading full-service law firm in Ukraine with 20 years' experience in the legal market. EPAP Ukraine has created a unique team consisting of the prominent experts in their fields. This team helps to avoid and to respond to legal and business risks combining strong transactional and disputes expertise. Among clients: foreign and domestic blue-chips, governments, institutional investors, banks, international financial institutions, technology companies, pro athletes and sports clubs. The EPAP Ukraine takes an active role in legislative drafting and works on pro bono basis to improve the business climate in Ukraine. The firm was recognized as The Law Firm of the Year: Russia, Ukraine & the CIS by the Lawyer European Awards 2018.

KUKE for more than 25 years has been providing insurance services to Polish entrepreneurs. KUKE cover both export and domestic transactions of clients, facilitating safe trade in Poland and abroad. KUKE's activities focus on insuring trade receivables arising from sales of goods and services with deferred payment. Also, as part of KUKE's insurance activities KUKE issue bonds and guarantees.

DZP was established in 1993. For many years now DZP has been the largest independent Polish law firm. DZP has its offices in Warszawa, Poznan and Wroclaw. It advises clients matching numerous legal specializations to their areas of activity. What makes DZP's services different is its understanding of both legal and business needs of the clients, and the many years' experience and expert knowledge of the specialists.

DZP for many years has been recommended and highly positioned by international specialist publications: Legal 500, Chambers & Partners, IFLR1000 and WTR 1000.
