SPEAKERS

**Maksym
Maksymenko**

Partner, Avellum (Ukraine)

Maksym is the Head of Real Estate & Infrastructure, Co-Head of Energy at Avellum and a leading expert with over 19 years of experience and 1,500+ projects. He has advised influential clients in agriculture, finance, development, lodging, oil & gas, ports, and retail sectors. Maksym is Co-Head of Infrastructure Committee at AmCham in Ukraine. Moreover, Maksym is a regular contributor to the various working groups in the Ukrainian Parliament, the Ministry for Communities, Territories and Infrastructure Development of Ukraine (Ministry for Restoration), the Ministry of Economic Development, Trade and Agriculture of Ukraine, and the State Service of Ukraine for Geodesy, Cartography and Cadastre. For two years in a row, he also gave lectures at Taras Shevchenko National University of Kyiv.

**Katarzyna
Kuźma**

Partner, DZP (Poland)

Katarzyna is the head of the team that provides services in the field of Polish and European public procurement law at DZP. She has extensive experience in advising private and public entities that carry on business in various industries and sectors of the economy (including the energy, construction and engineering services, environmental protection, pharmaceutical, and defence and security sectors). She also advises on projects implemented using partnership structures in the broad sense of the term (PPP, concessions). She has extensive experience in advising on international investment projects. Vice-president and co-founder of the Public Procurement Law Association in Poland.

**Adam
Smuga**

Managing Partner, TIAS (Poland)

Adam is an experienced attorney-at-law and managing partner at TIAS consultancy. He has participated in many investment projects, due diligence exercises and business missions. For years now, he has been specialising in providing legal services to foreign investors in Poland, with a particular focus on the Asian market. Adam is also involved in assisting the non-governmental sector. His clients included one of the largest NGOs in Europe; Adam advised it on fighting for the rights of young people, and created proposed solutions in this regard at the European Union level.
